

## BOARD PROFILE

|   |  |
|---|--|
| Director Name                                       | Dr. Michelle St Jane   |
| Current occupation and/or immediate past occupation | Podcast founder and host (2020)<br>Thought Leader (2016-2020)<br>Lawyer (1997-2015)  |
| Brief Career Description                            | <p>I have had 4 diverse careers, global and local lawyer-corporate peacemaker, founder of a social enterprise law firm, thought leadership practice, and currently Podcast host of <i>Life &amp; Leadership: A Conscious Journey</i>.</p> <p>A unique destination for learning about Leadership + Conscious Stewardship + Legacy. A place for dialogues that create community/tribe, a circle of influence, transcendancy of compassionate leadership in the world and wider universe.</p>   |
| Other Community related involvement                 | <p>I have held numerous previous appointments up until 2015 ranging from trusteeships to being Governor appointed Police Complaints chairperson.</p> <p>2015-2020 I paused to complete my doctorate and pivot.</p> <p>Living a well stewarded life dedicated to building a legacy is my inner compass. I build from ancestral generations of courageous pioneers. Legacy holds the promise for the future.</p> <p>In this decade I am dedicated to opportunities to serve that align with my values and contribute to finding the fulcrum point between profit, people &amp; planet.</p> |
| Thoughts on joining Bermuda College Foundation      | <p>“One of my top values is empowering <b>Future generations</b>. A key driver for me is gifting knowledge forward with appreciation and creation of opportunities for intergenerational collaborations provides fertile ground for a better and better world.”</p>  |
